**PETITION TO CORRECT INVENTORSHIP PURSUANT TO 37 C.F.R. § 1.48(f)**

MAIL STOP PETITION  
Commissioner for Patents  
P.O. BOX 1450  
Alexandria, VA 22313-1450

Dear Sir:

Applicants hereby petition the Commissioner to correct inventorship in the present application pursuant to 37 C.F.R. § 1.48(f). In particular, the originally filed provisional patent application included a cover sheet that listed one of the inventors as "Martquardt" and a second inventor as "Harry Crumma." These errors were corrected in the first executed declaration submitted for the application, being submitted on January 23, 2004. Specifically, the proper names of the affected inventors are "Peter Marquardt" and "Harry Krumma." Also, Inventor Marquardt's city of residence is Steinheim, Germany. It is requested that a corrected filing receipt be issued listing the inventors on the first executed declaration submitted for the application.

37 C.F.R. § 1.48(f) does not set forth a fee for this Petition. However, if fees are incurred because of this Petition to Correct Inventorship, the Commissioner is authorized to charge said fees to Deposit Account No. 08-2789 of Howard & Howard Attorneys, P.C.

Respectfully submitted,

HOWARD & HOWARD ATTORNEYS
